

LADIES' SEMINARY, MIRFIELD.—The
MISSSES NESBIT and DUCKWORTH beg Leave to
return their grateful Acknowledgments to their Friends,
for the liberal Encouragement they have experienced since
their Commencement in Mirfield, and inform them, that
their School will Re-open on Monday, the 18th of July,
when they hope for a Continuance of the Favours already
conferred.

Misses N. & D. take the present Opportunity of announc-
ing to their Friends and the Public, (as they are wishful to
increase their present Number of Boarders) that they in-
tend to remove in October next, to a more spacious and
convenient House, now erecting for the Purpose in a plea-
sant and airy Part of Cleckheaton, where they will be able
to accommodate Twenty-Six Young Ladies as Boarders,
and hope by assiduous Attention to the Interest and
Comfort of their Pupils to merit a Share of public Patron-
age and Support.
