TO BE LET, and may be entered to immediately, all that **WATER CORN MILL**, situate at and called **WEST MILLS**, in **Mirfield**, in the County of **York**. The Mill is commodious and extensive, and contains **Four Pairs of French Stones**, **Two Pairs of Grey Stones**, and **One Pair of Shelling Stones**, together with the **Malt Rollers**, **Bean Splitters**, and other conveniencies thereto belonging, and also a **Drying Kiln** adjoining the said Mill, all in complete repair. The Mill being situate upon, and deriving its Power, from the River **Calder**, the supply of Water will be certain and abundant. A considerable expense may be saved in Carriage, by being able to obtain Goods by Water, and at an easy Rate. The present Tenants, **Messrs. Tyas, and Co.**, will show the Premises, and further Particulars, and to treat for the same, application to be made to them, or to **THOMAS LEADBEATER**, of **Mirfield** aforesaid, Solicitor.—**Mirfield**, near **Dewsbury**, 11th Nov. 1841.
