FIRE AT MIRFIELD.—At 2.30 on Saturday a fire broke out in the woollen mill of Messrs. Henry Walker and Sons, Battycford, Mirfield, when damage was done to the stock and building to the amount of £150. The cause of the fire was the overheating of some wool which had been placed in a room over the boiler to dry. It was discovered by Henry Walsh, the watchman, and was put out by the engine belonging to the firm. The firm are insured in the Manchester fire offices.
