

## THE LATE COLLIERY ACCIDENT NEAR DEWSBURY.

Mr. Taylor held an inquest yesterday, at the Robin Hood Inn, Mirfield, on the body of Hallas Thornton, a youth of fifteen, who, as readers of the *Mercury* will doubtless recollect, was killed on Monday last by a fall of roof in the mine where he was employed. The evidence showed that the occurrence had resulted accidentally, and the jury found that to have been the case by their verdict.
