

**MESSRS. JAMES WALKER AND SONS,
MIRFIELD, AND THEIR RAISERS.**

TO THE EDITORS OF THE LEEDS MERCURY.

GENTLEMEN,—Your impression of yesterday contained a letter from the above-named firm in respect to the dispute between Messrs. Walker and Sons and their raisers. Messrs. Walker and Sons say in their correction that they never have paid 2d. per score less than any other leading firm. Last Friday they paid us 4d. per score less for the same goods than a leading firm at Kilpin Hill, Heckmondwike, have paid their raisers ever since that leading firm began to make them.—We remain, &c.,
