

THE HEATON LODGE AND WORTLEY RAILWAY.

The tender of Messrs. Monk and Newell, of Liverpool, has been accepted for the construction of the Spen Valley section of the Heaton Lodge and Wortley Railway. The section extends from Northorpe to Cleckheaton. It is not expected that actual work will be commenced until spring, owing to the weather at this time of the year being unfavourable. At Gildersome, Birstall, Gomersal, and Mirfield, great progress has been made in the construction of the line.
